### ATTENTION

Please read all Information below before Installation

**Warning:** Disconnect negative battery cable from battery; refer to owner's manual. Failure to do so may result in electrical shock, injury, or fire. Secure negative battery cable away from positive side of battery and all other positive voltage sources on vehicle.

**Safety First:** Always wear appropriate safety gear including safety glasses when performing any electrical work. It is highly recommended that safety glasses be worn throughout this installation process. Be sure vehicle is on level surface, secure and cool.

**Installation:**

1. Refer to the factory service manual and remove the OEM headlight and headlight mount from the lower triple tree.
2. Using the two existing OEM mounting bolts, mount the new FXLRS-MOUNT to the lower triple tree.
3. Install headlight bucket to the mount. Refer to the instructions with the headlight bucket.
