## 194 LED Bulb Installation Instructions

---

**We thank you for purchasing Custom Dynamics® 194 LED Bulb. If you have questions before or during installation of this product please call Custom Dynamics® at 1(800)382-1388.**

1. Be sure vehicle is off and no power is applied to the 194 socket.
2. Remove lens and existing 194 bulb.
3. Clean contacts if necessary.
4. Insert new 194 bulb and lens.
5. Test operation.

**WARNING: Must only be used on 12VDC systems. For proper operation, please be sure the system is not load dependent .**
