

## Custom Dynamics® Victory Wedge Badge Installation Instructions

Everything to Light Up Your Ride®

We thank you for purchasing the Custom Dynamics® Victory Wedge Badge. Our products utilize the latest technology and high quality components to ensure you the brightest, most reliable LED's on the market. We offer one of the best warranty programs in the industry and we back our products with excellent customer support, if you have questions before or during installation of this product please call Custom Dynamics® at 1(800) 382-1388.

**For Part Number(s):**  
GEN-VIC-106-L, GEN-VIC-106-R

**Package Contents:**

- Victory Wedge Badge L or R (1)
- Instructions

Fitment: Victory Vegas, Kingpin, Hammer, Jackpot, Vision, Cross Country with factory or CD® Cheese wedge covers.

**Installation**

1. Clean the surface area of the cover before installing to ensure a good surface for the tape to adhere to. Rubbing alcohol works best.
2. Grab the Blue tab and pull to remove the backing from the 2 sided tape.
3. Align the badge with the "V" contour of the cover, if installing left side, make sure key hole is aligned.
4. Press badge onto the cover surface, apply light pressure to ensure good adhesion.
5. Remove the protective cover from the front of the badge.

Questions? Call us at: 1 (800) 382-1388 M-TH 8:30AM-5:30PM / FR 9:30AM-5:30PM EST
